

Radiology Classics

May 2, 2020

8 a.m. to 4:30 p.m.

We invite you to participate in this exciting, interactive program that has been designed to provide a general review of the practical aspects of the major subspecialties of diagnostic and interventional radiology. This program will include lectures on plain film radiography, CT, MRI, angiography, ultrasound, nuclear medicine, and vascular/interventional radiology. The course will be taught by experts from all radiology subspecialties, chosen for their excellence as teachers and their clinical expertise.

Target Audience: Residents, Fellows, Practicing Radiologists

This course is ideal for residents and fellows preparing for the boards and practicing radiologists who wish to refresh their understanding of essential radiology diagnoses. LARS Radiology Classics offers:

- *High yield review of all subspecialties of Radiology*
- *Emphasis is on case presentation in the 11 subspecialties of diagnostic radiology*
- *Over 150 multiple choice questions throughout the day to test your knowledge and practice for boards*

The Los Angeles Radiological Society is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

The Los Angeles Radiological Society designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)[™].

Torrance Memorial Medical Center, Hoffman Health Conference Center

Event Location:

Torrance Memorial Medical Center

Hoffman Health Conference Center

3330 Lomita Blvd

Torrance, CA

Free of charge parking in the West Parking Structure

LARS Radiology Classics

Program Objectives:

At the end of this program, attendees will:

- Recognize imaging presentations of Classic diagnoses as encountered in each of the eleven subspecialties of diagnostic and interventional radiology
- Formulate appropriate differential diagnoses based on pertinent imaging findings

Program Schedule/Topics/Faculty:

7:30 a.m.	<i>Registration and Check-in</i>
8 a.m.	Gastrointestinal Radiology: <i>Phillip Cheng, M.D., M.S., Keck School of Medicine at USC</i>
8:40 a.m.	Genitourinary Radiology: <i>Victor Sai, MD, David Geffen School of Medicine at UCLA</i>
9:20 a.m.	Breast Imaging: <i>Lucy Chow, M.D., David Geffen School of Medicine at UCLA</i>
10 a.m.	<i>Break</i>
10:10 a.m.	Pediatric Radiology: <i>Amit Sura, MD, MBA, Children's Hospital Los Angeles</i>
10:50 a.m.	Ultrasound: <i>Evan Allgood, M.D., Keck School of Medicine at USC</i>
11:30 a.m.	Vascular/Interventional Imaging: <i>Jananan (Jay) Vairavamurthy, MD, Keck School of Medicine at USC</i>
12:10 p.m.	<i>Lunch</i>
1 p.m.	Nuclear Medicine: <i>Shadfar Bahri, MD, David Geffen School of Medicine at UCLA</i>
1:40 p.m.	Cardiac Imaging: <i>Cameron Hassani, MD, David Geffen School of Medicine at UCLA</i>
2:20 p.m.	Thoracic Imaging: <i>Lia Pourzand, MD, David Geffen School of Medicine at UCLA</i>
3 p.m.	<i>Break</i>
3:10 p.m.	Musculoskeletal Radiology: <i>Benjamin Plotkin, MD, David Geffen School of Medicine at UCLA</i>
3:50 p.m.	Neuroradiology: <i>Chia-Shang (Jason) Liu, MD, PhD, Keck School of Medicine at USC</i>
4:30 p.m.	<i>Program Adjourns</i>
